acoustic guitar (Thomas)	1 x xlr (preamp) no amp	1x main voc (can be cable, no wireless needed)	
bassguitar (Marc)	1x xlr (preamp) no amp	1x backing voc	

stage monitoring

we love to play with in-ear monitoring, alternatively standard stage monitoring is also fine.

a) console → in-ear monitoring

drums (Axel)	headphone amp & cable		
leadguitar (Reiner)	wireless transmitter & body pack		
acoustic guitar (Thomas)	wireless transmitter & body pack		
bassguitar (Marc)	wireless transmitter & body pack		

b) console → stage monitors

drums (Axel)	2 monitors	left/right from drum stool	
leadguitar (Reiner)	1 monitor	stage left	
acoustic guitar (Thomas)	2 monitors	stage center	
bassguitar (Marc)	1 monitor	stage right	

further requests

drums (Axel)		3 standard drum risers (big kit)	
leadguitar (Reiner)	3 x power sockets	stage left	
acoustic guitar (Thomas)	2 x power sockets	stage center	
bassguitar (Marc)	2 x power sockets	stage right
